
Unusual Prospects – The Concertina

A photographic record by Stuart Eydmann

This event, **Unusual Prospects – The Concertina**, was held at the Tolbooth, Stirling, Scotland on 5 March 2011 as part of the *Blend* roots music festival. It opened with a concert featuring Steve Sutcliffe (English concertina) with Jo Miller (fiddle and song), Simon Thoumire (English concertina) and Steve Turner (English concertina and song). This was followed by workshops by Simon Thoumire and Steve Turner and concluded with an informal café session when participants contributed their own selections and played together. Audio recordings of the concert and Simon Thoumire's workshop were also made by Stuart Eydmann.
